Join us for a nurturing two, three, or four day thematic-based preschool program with an exciting curriculum that's fun and engaging, and includes parent participation. Staff fosters a warm and caring environment, where each child is free to express themselves, learn new preschool skills, and simply have fun! Students are taught basic social and emotional development, language, communication skills, pre-reading, and cognitive processing skills. We also offer special activity days, both on- and off-site.

Proof of age is required for final acceptance of registration. Children must be fully potty-trained—this program is designed for children who are completely responsible for their own toileting needs without diapers, Pull-ups, or disposable underwear of any kind.

This is a parent-participation preschool program where parents are encouraged to assist in the classroom a minimum number of times as follows, depending on class selection:

**Tuesday/Thursday (two days per week students):**

Parents are encouraged to volunteer a minimum of 2 times per session.

**Monday/Wednesday/Friday (three days per week students):**

Parents are encouraged to volunteer a minimum of 3 times per session.

**Pre-K and Monday/Tuesday/Wednesday/Thursday (four days per week students):**

Parents are encouraged to volunteer a minimum of 4 times per session.

**All registered students will be assessed non-participation fees at the time of registration.** If a parent elects to work during a session, and is able to fulfill their minimum parent participation requirement, previously assessed non-participation fees will be rolled over towards

future preschool session non-participation fees. Non-participation fees will not be refunded during a session; however, they may be refunded upon termination, or at the end of the school year.

#### 2015–2016 Parent Non-Participation Fee Schedule per session:

Resident/Non-Resident – \$60/Day
